

Important update about your Saver Choice Plus rate plan

Your rate plan, Saver Choice Plus, is not part of our updated rate plan menu. It is now a retired or “frozen” plan. What does that mean for you?

You have options. You can stay on Saver Choice Plus for as long as you'd like, or select a new rate. Our current rate plan options are available at aps.com/plans.

Frozen plans are not updated with some features of our current plans. **Saver Choice Plus on-peak hours will stay 3pm-8pm weekdays, and this plan does not include super off-peak hours**, unlike our current Time-of-Use 4pm-7pm Weekdays with Demand Charge plan.

Why was Saver Choice Plus retired?

Saver Choice Plus was one of two demand plan options. Our customers told us we had too many plans, so we simplified the options.

How does Saver Choice Plus compare to Time-of-Use 4pm-7pm Weekdays with Demand Charge?

Saver Choice Plus aps.com/saverchoiceplus	Time-of-Use 4pm-7pm Weekdays with Demand Charge aps.com/demandplan
<ul style="list-style-type: none">• Lower demand charge• Higher energy charges• On-peak hours: 3pm-8pm weekdays• No super off-peak pricing	<ul style="list-style-type: none">• Higher demand charge• Lower energy charges and basic service charge• On-peak hours: 4pm-7pm weekdays• Winter super off-peak pricing 10am-3pm weekdays (Nov-Apr billing cycles)

Visit aps.com/saverchoiceplus to learn more about your current plan and see pricing details. Also visit aps.com/demandplan for detailed pricing information on the Time-of-Use 4pm-7pm Weekdays with Demand Charge plan. Compare all available plans at aps.com/plans.

You have options

If you choose to move to an updated rate plan, you will gain access to two helpful tools starting at least three months after you transition to your new plan:

A free online rate comparison tool telling you what your bill would have been, based on the same usage, on our other active rate plans*

Information on your monthly bill about whether you could have saved on a different plan*

Whatever decision you make, please remember, Saver Choice Plus is frozen. **If you change plans, Saver Choice Plus will not be among the plans you may select going forward.**

*These tools are not available to Saver Choice Plus customers due to system limitations.
